

# Spring 1 Whole School Family Learning Project

## Focus: Reading

**Reading for pleasure:** Here at Woodfield we understand the importance of children becoming fluent, independent readers as the key to being a lifelong learner. An important part of developing a love of reading is opportunities to read for enjoyment, making our own choices about the things we read.

This half term we would like to celebrate the fun and enjoyment in reading. We would like families to take a photos reading their favourite books in the most fun, creative, wacky or imaginative place they can! This might be snuggled up on the sofa together, in the garden, in the supermarket or even while standing on their head. We want to show the world that the children of Woodfield love to read whenever and wherever they may be!!

## Spring 1 Whole School Family Learning Project

### Focus: Reading

Please send our photo to [admin@woodfield.doncaster.sch.uk](mailto:admin@woodfield.doncaster.sch.uk) with your child's name and class in the email, by Monday 25<sup>th</sup> March.

We will then create a showcase of all the images to share in our final assembly of the term. We will be giving out some fantastic prizes for the most creative entries.
