

Autumn 2 Whole School Family Learning Project

Focus: RE

Celebrations: Throughout the school year there are lots of things that our children and families celebrate together.

Your challenge this half term is to create something that shows us how you celebrate special days or festivals in your family. You could draw a picture, make a photo album, make a model or even write a book about one special celebration or even lots of celebrations.

Autumn 2 Whole School Family Learning Project

Focus: RE

Please return your completed project, making sure it has your name and class clearly labelled on it, to the school office on Monday 12th December.

We will then create a showcase of all your fantastic learning in the hall to share with others. We will be giving out some fantastic prizes for the most creative entries.
