Lunchtime Clubs

We have a range of lunchtime clubs that are free of charge as follows

these clubs are held in the lead teacher's classroom instead of outdoor play at lunchtimes – they will not be available during wet break as all classrooms will be in use

Mon: Mindfulness – KS1 – Miss Purshouse

Our mindfulness club will provide children with a chance to enjoy a range of activities to support their mental health and wellbeing. The club will be focused on supporting children to have a positive attitude towards their learning and develop resilience to cope with a range of situations whilst having fun, playing games and building strong relationships with their peers.

#####

Tues: Mindfulness – KS2 – Mrs Davis

Well-being is ultimately feeling well and this is what we want for all our children. This group will through a combination of physical, mental and emotional health activities help them to understand and recognise their emotions, build resilience and foster a positive attitude towards their own well-being. It will also give them some ideas for activities to increase their mindfulness.

Tues: Athletics – KS2 – Mrs Langton

Come along to Athletics Club to learn, develop and practice running, jumping and throwing skills for a healthy, active and confident future. There'll be games, competitive competitions and most importantly we'll have fun!

#####

Weds: Reading – UKS2 – Mrs Barrass

Bring your favourite book with you or choose from Mrs Barrass's excellent Library! Read and escape to a new world, to another country, be chased by aliens, be stalked by man-eating plants or go on an adventure with a girl who stole an elephant - the reading world is your oyster!

#####

Thurs: Reading – LKS2 – Ms White

Wednesday – Multi-Sports for KS2 – 15 places

Woodfield Multi-Sports club is a fantastic opportunity for pupils to learn and experience new sports. Pupils will participate in familiar sports to build on their skills learnt in PE lessons, such as football and tennis, as well as applying these skills to a new situation, such as dodgeball or badminton. This club is so much fun and also keeps our pupils fit and healthy while learning to work within a team.
