18th April 2024

Dear Parent/Carer

It is with regret that we are having to increase the cost of school meals from £2.50/day to £2.80/day (£14/week) with effect straight after half term from Monday 3rd June 2024. This will automatically be reflected on ParentPay.

This is as a direct result of our catering provider increasing the cost of meals charged to the school. Like many other sectors in the current climate, the costs for the provision of our catering service have increased considerably this financial year and we are unable to absorb the additional costs of the increase as a school.

We understand that this increase may come at a difficult time for some families and would encourage everyone who can to apply for Free School Meals using the link below:

<https://www.doncaster.gov.uk/services/schools/free-school-meals>

Meals for children in Reception and KS1 (Years 1 and 2) will continue to be provided free of charge under the Government's Universal Infant Free School Meals scheme. However, if you are eligible for Free School Meals the school receives additional funding to support your child throughout their time at the school.

Should you require any assistance regarding FSM applications, please contact Mrs Gunn in the main office.

Many thanks for your understanding with the increase

Yours Sincerely

Mrs Kate Hallam
Head Teacher
