

End of Day Arrangements

Child's Name: _____ **Class:** _____

In line with the Home School Agreement, all children in Foundation Stage, Year 1, Year 2 and Year 3 must be collected from school by a responsible named adult (aged 18 and over) at the end of the school day. Children in Year 4, Year 5 and Year 6 have the option of walking home alone from school but we must stress that the advice of the school is to always collect your child where possible.

You have requested that a person under the age of 18 be responsible for collecting your child in Foundation Stage, Year 1, Year 2 or Year 3. We must stress that this is against the advice of the school and we strongly advise against this. However, by completing the disclaimer below we will allow your child to be collected from school by the person stated below who you deem to be responsible.
