English

Question time!

Who is the man in the photo?
How is he/she able to walk on water?
Where are they heading?
What do they have inside their rucksack?
What is causing their reflection in the water?
What is a miracle? Would you describe this as one?
Do you think this person can perform any other miracles?

Use this to start a story

How was it possible? Was it a miracle?

Seeming to barely touch the surface of the water, he embarked on his journey across the ocean...

Maths

Find the perimeter of the shapes.

The shape is made from 3 identical rectangles. Find the perimeter of the shape.

How many different shapes can you make with a perimeter of 24cm? How many sides do they have?
Here are the teeth found in a human. See how they are all different shapes. That is because they all have a different job.

Find out their different roles. How would the type of teeth change in different animals? Explain why?

Reading
Please read at home at least 3 times each week.
