To Year 4
Hope you had a nice weekend? I went out and flew a kite, I haven’t done that since I was your age. I have got to say it was nice to have some fun. Hope you are finding things to make you smile? Stay safe, be kind and miss you lots.

Story starter

The majestic creature glided gracefully through the perfect, azure waters. Its size and beautiful colours stood out in stark contrast to the murky, grey ocean floor beneath.

Many other creatures that dwell under the sea looked on with envy at the unusual and startlingly bright colours that its appearance possessed...

Can you continue the description?

Maths

Sally is 7 years and 2 months old.
Macey is 85 months old.
Who is the oldest?
Explain your answer.

Always, sometimes, never.

There are 730 days in two years.

Raj, Lois and Seb describe when their birthdays are.

Raj says,
My birthday is in 96 hours.

Lois says,
My birthday is in exactly 2 months.

Seb says,
My birthday is in 35 days.

Use the clues to work out when their birthdays are if today is the 8th June.

Work out when your birthday is from the 8th June.
**Topic**

Have a go at doing the science experiment on this link. Can you make your own water cycle?
