English

Please watch this clip on the BBC, it is about children and how they feel when they worry about things.

https://www.bbc.co.uk/teach/class-clips-video/pshe-ks2-panic-attacks/zvqxyyc

What I would like you to do is write a letter to either Luke or Jenny and either write about when you have felt worried or ways that they might help them feel better.

Maths

Four coloured bricks were joined together as shown below.

![Brick Image]

How many different ways could four coloured bricks be arranged e.g. green, blue, red, yellow.

James thought there could be about 20 different ways. Is he right?

Work it out below:

![Brick Combinations Image]

Draw more bricks if needed:

Topic - Mental health week.

Worry monsters are good monsters that like to eat all your worries.

Design you worry monster then see if you can make it.
