To the Hazel Class, I hope you've enjoyed your week of learning! The weather hasn't been great this week which always makes it tricky to get out and exercise. The forecast for next week looks good though so I hope you all manage to get out in the sunshine and enjoy some physical activity; it always makes me feel so much better.

Stay safe. Mrs Allison ☺

**English - Writing (Similes and Metaphors)**

We learned about similes and metaphors during the Autumn term when we read The Iron Man. See if you can remember what they are by watching the video on the link and then completing the worksheet at the bottom of the page. Can you create your own similes and metaphors?

**Maths - Your Choice**

Visit the oxford owl website and chose the age range 7-9. Chose a game in an area of maths that you think you need more practise on.
