To Year 4
Happy Star Wars day. (May the 4th be with you)
Hope you managed to watch the Friday assembly? I know that everyone is keeping busy and we are all doing work and learning the same as you. Some days I find it tricky to get going as well, but I feel better when it is done. Be safe, be kind and know you are missed.

English

Sick sentences!
These sentences are boring, and I need you to improve them
The people stood on the wall. In front of them was a big wave. It was really big.

Prediction
Describe what you would see if the photographer took another photo 5 minutes after this one.

Maths

Work out the perimeter of the square.

The width of a rectangle is 2 metres less than the length.
The perimeter of the rectangle is between 20m and 30m.
What could the dimensions of the rectangle be?

Draw all the rectangles that fit these rules.
Use 1cm=1m.

Topic
Below is a diagram of the human digestive system. It shows how a human digests the food that has been eaten see if you can match the body parts on the diagram to the description and explain the process of digestion to someone else in your house.
Reading
Please read at home at least 3 times each week.

Spelling-pre
Precise, prefer, prepare, pretend

Times Tables
Make sure you access your Times Table Rock Stars account.

### Parts of the Digestive System

<table>
<thead>
<tr>
<th>Part</th>
<th>Function in Digestion</th>
</tr>
</thead>
<tbody>
<tr>
<td>Mouth</td>
<td>Where food is chewed by the teeth</td>
</tr>
<tr>
<td>Esophagus</td>
<td>Rolls the food into a ball to be swallowed</td>
</tr>
<tr>
<td>Stomach</td>
<td>Food is swallowed down here and passes to the stomach</td>
</tr>
<tr>
<td>Liver</td>
<td>Food is digested (broken down) in here. Also contains acid to kill harmful microorganisms that might be in our food</td>
</tr>
<tr>
<td>Liver</td>
<td>Food continues to be digested here and also absorbed into the bloodstream</td>
</tr>
<tr>
<td>Large Intestine</td>
<td>Where water moves back into the blood and feces form</td>
</tr>
</tbody>
