To Year 4
Happy V.E Day a time when people celebrated the end of the second World War in Europe. Unfortunately, it carried on in other parts of the world. I feel that for a while, we will still have to battle on but at least we can celebrate each little victory together. So, until we see each other again.
Stay safe, be kind and know that you are missed.

English
In World War 2 codes were used to send messages to each other. Use the Morse code to practice all the spellings you have been giving so far. If you want to do more try putting them into a message.

Maths
Use what you have learnt on perimeter to work out how much bunting would be needed to decorate all the edges of these gardens.

Topic - V.E Day
Design a medal to celebrate 75th Anniversary of V.E Day. Think about the information it will need to have on it, the colours of the ribbon and what they may represent, the material it will be made from and the engravings/pictures it could have.

Reading
Please read at home at least 3 times each week.

Spelling
Previous, predict, prejudice

Times Tables
Make sure you access your Times Table Rock Stars account.
